nonstick ovenliner

never clean the bottom of your oven again

What exactly is an Ovenliner? Well, it's a time saver. A drip blocker. A crumb catcher. A spill protector. A burnt food guard. It's your nonstick secret to never having to clean the bottom of your oven again. The Chef's Planet Ovenliner makes life in the kitchen easier. While you cook it collects, shielding the bottom of your oven from splatters, spills and overall mess. Made for standard size ovens.

#400 Nonstick Ovenliner 23" x 16.25"

nonstick toaster ovenliner

now, spills and crumbs are toast

Catch those feisty little spills and crumbs that get stuck on the bottom of your toaster oven. Now you can keep the bottom of your toaster oven looking like the day you got it with very little effort. While you cook it collects, shielding the bottom of your oven from overall mess. It's a breakthrough for toaster ovens everywhere.

• Kosher certified by the Orthodox Union

#401 Nonstick Toaster Ovenliner 11" x 9"

nonstick commercial ovenliner

never clean the bottom of your oven again

For larger, commercial size ovens, the Chef's Planet commercial ovenliner makes life in the kitchen easier. The nonstick ovenliner is commercial grade thickness and fits ovens up to 36". So whether you're baking your culinary creations in your home or industrial kitchen, the bottom of your oven is protected from splatters, spills and overall mess.

#824 Nonstick Commercial Ovenliner 30" x 16.25"

nonstick countertop ovenliner

never clean the bottom of your countertop oven again

Whether you're cooking in your countertop broiler or convection oven, you can keep your oven bottom looking like the day you bought it. The Chef's Planet Countertop Ovenliner is made of reflective metallic material which allows for more even toasting, and it fits all large countertop ovens.

#250 Nonstick Countertop Ovenliner 13.125" x 12.5"

multipurpose nonstick kitchen mat

it's counter-intuitive

One side is a patented nonstick surface and the other is a nonslip silicone.

Place nonslip silicone side down and use it to knead and roll out dough, as a non slip work mat, to protect your kitchen counter top, as a nonstick baking mat, to make candies & cookies, and to protect your microwave from drips & spills.

#925 Multipurpose Nonstick Kitchen Mat 24" x 16"

universal nonstick bakeliner

bake like a pro—yes, a real pro

Our products are designed to make cooking easier and enjoyable. Scrubbing baked-on food from your pans isn't. So don't. Use our universal nonstick Bakeliner and be a baking genius. It puts a nonstick layer between your goodies and your pans. Foods cook more evenly and your baked food will slide right off. Spend more time doing what you love and less time doing what you don't.

Cut to fit for any size use — Customization template included for: 8", 9" or 10" rounds, 8" x 8", 9" x 9" or 10" x 10" squares, 9" x 13" rectangle or 16.5" x 11.5" half size sheet pan liner

• Kosher certified by the Orthodox Union

#932 Universal Nonstick Bakeliner 40" x 12"

grill & bbq mat

because food shouldn't fall through the cracks

What an epiphany. A nonstick mat for your grill that prevents food from falling through the cracks. Never again will you dive your tongs into the grates to save a fallen shish kebab. Place delicate foods (fish, veggies, shrimp) on the mesh mat. They'll cook to juicy perfection and your food won't stick. Ah, grilling perfection.

#727 Grill & BBQ Mat 15" x 10.5"

nonstick mesh crisper

because no one likes a soggy bottom

Tired of soggy pizza, fish sticks and French fries? The Chef's Planet nonstick mesh crisper will become your first line of defense to combat sogginess. Oven heat can circulate through the mesh, evenly crisping the crust of your favorite foods. Now, the bottom of your quesadillas, chicken nuggets and hors d'oeuvres will always be deliciously crispy.

#480 Nonstick Mesh Crisper 14" x 14"

food scoops

the inside scoop on slicing, dicing and chopping
